The diagram illustrates a dependency or relationship between three files. On the left, there are two source files: 'src.view.view_pageParametres.vpp_askcolor' and 'src.view.view_pageParametres.vpp_reset_customs'. Both of these files have blue arrows pointing to a single target file on the right: 'src.view.view_pageParametres.vpp_set_grid_color'. The target file is highlighted with a gray background, while the source files have white backgrounds.
