

src.view.view_pageParametres.vpp
_askcolor

src.view.view_pageParametres.vpp
_reset_customs

src.view.view_pageParametres.vpp
_set_joueur_color

```
graph LR; A["src.view.view_pageParametres.vpp  
_askcolor"] --> C["src.view.view_pageParametres.vpp  
_set_joueur_color"]; B["src.view.view_pageParametres.vpp  
_reset_customs"] --> C;
```

The diagram illustrates a dependency or relationship between three files. On the left, two source files are listed in white boxes: 'src.view.view_pageParametres.vpp_askcolor' and 'src.view.view_pageParametres.vpp_reset_customs'. Blue arrows point from each of these source files to a single target file on the right, 'src.view.view_pageParametres.vpp_set_joueur_color', which is highlighted in a grey box.
